

REDWOOD BELGIAN TERVUREN FANCIERS, INC.

Adoption Application

The ownership of a Belgian Tervuren, like any pet, is a serious responsibility and requires a long-term commitment. It is the goal of RBTF, Inc., to be sure that the physical, emotional and psychological needs of each Tervuren be met in their new home. This application has been designed to help prospective Tervuren adopters address the issues that would directly affect their home and its suitability for a Tervuren as well as aiding us in applicant evaluation.
