For Exhibition Only (FEO) allowed at this trial

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge
- A dog running FEO in ANY course is NOT ELIGIBLE for special Belgian Waffle Cup Finals prizes

Fix and Go On (FNG)

- Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Jump Heights

Dogs may be entered in their regular jump heights, however, only those dogs running in the 12", 16", 20" and 24" class that meet the FCI/ISC measuring cutoff (different than regular AKC cutoffs) may use their clean run toward the required qualification toward entering WTT or EOTT. Please see the 2023 EO/AWC Tryout Rules for further details.

The FCI/ISC cutoffs for those heights are as follows:

- Small (12" jump height) – for dogs measuring 13 ¾" or less at the withers
- Medium (16" jump height) – for dogs measuring more than 13 ¾" and up to 16 7/8" at the withers
- Intermediate (20" jump height) – for dogs measuring more than 16 7/8 but less than 18 7/8" at the withers.
- Large (24" jump height) – for dogs measuring over 16 7/8" at the withers

Qualifications

"Clean run" scores from J2, A2 and A3 ISC Classes at official FCI jump heights 12", 16", 20 and 24" may be used to fulfill the minimum requirements for WTT/EOTT. A "clean run" consists of a run without time or course faults. Minimum YPS requirements are waived for these scores, as long as the dog is under the course time set by the judge for that class

Course Walk Through / Warm Up Area

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of a class. The walk through is restricted to handlers entered in the class. A warm up jump will be provided.

Volunteers

Trials cannot happen without the help of volunteers. If you have time to set a bar, run a leash, time, scribe or gate – even if it is only for ten dogs – it will help immensely. We will break up running into two halves per class so that workers in either half will have time to warm up their dog before they are set to run in the next half.

Belgian Waffle Cup - International Sweepstakes Classes (ISC)

Purpose: The International Sweepstakes Class (ISC) is a non-regular class providing the dog and handler an opportunity to demonstrate their advanced training and handling skills on various International Style Standard and Jumpers with Weaves courses. The rules for this class are generally based on international rules. The variety in International Agility course designs is very diverse, so handlers should be prepared to meet the “Challenge of the Day” when competing in the ISC class. The total challenge level may be easier, more difficult, or simply different from what is currently allowed in Excellent / Master Class. Complete rules for the ISC are available from the AKC Website (<http://www.akc.org>).

Eligibility: ISC classes are open to all dogs that are eligible to compete in AKC agility trials. There is no Preferred Option for ISC: dogs may enter at their preferred jump height; however, they will be scored against the regular division dogs jumping their regular height. For example: 16” preferred dogs will be scored against 20” regular division dogs. Eligible dogs may be entered in any level of ISC. At present, there are no eligibility requirements for any level of ISC and any dog that is eligible according to the information in this premium list may run any level. Day of show level changes are not allowed.

Special Prizes in the A3 Final

The A3 ISC Standard Final class CAN be entered by anyone, HOWEVER only certain teams can win Belgian Waffle Cup Final prizes based on their score in the A3 ISC Standard class. In order to be eligible for the special Final prizes, teams:

- Must be entered in at least one of the A1/A2/J1/J2 ISC classes
- Must be entered in the A3 ISC class
- Cannot run any of the classes For Exhibition Only (FEO)
- Must (a) finish one of the preliminary rounds (A1, A2, J1, J2) in the top 40% of their jump height as scored on a time + faults basis, (b) finish under the Standard Course Time (SCT) defined by the judge of record and (c) not have a result of an “E” as defined as going off course or accumulating three or more refusals in the run

There will be a podium for the top three finishers in each height in the A3 class out of the competitors satisfying the above criteria.

Placements for the Belgian Waffle Cup Finals will be based on individual scores in the final class, as scored on a time + faults basis. Eligible scores will be under SCT and not have a result of an “E” as described above.

First place finishers in each height will receive a special prize which is TBD. Second and third place finishers MAY also receive special prizes but that is TBD. There may be other prizes awarded, please follow the Facebook page for the Belgian Waffle Cup for further details (<https://www.facebook.com/BelgianWaffleCup>)

NOTE: Since the A3 Standard class can be entered by ANYONE, a “Clean Run” in the class can be used for WTT/EOTT qualifications as defined by the rules for WTT/EOTT
