

Redwood Belgian Tervuren Fanciers
19th All-Breed Agility Trial Weekend, June 6-7 2015

Briefing, first walk thru: 7:45AM
Both Rings, judging starts at: 8:00AM
For those who must check-in (check in only on your first day)
Check in/measure in: 7:15 – 7:45AM

- ✓ You must check-in and measure-in if you checked the box on your entry form saying "My dog needs to be measured." The measuring time is as stated above and MAY additionally be done later at the convenience of the measurer but is not guaranteed or scheduled.

We didn't fill this year like last year but, with 285 dogs entered and some 200 runs per ring per day, I like the way the trial shaped up. So, in order to run efficiently and get you home for an afternoon with your family, we'd be in your debt if you did the following:

- ✓ Check in *early* at the rings you're running in and inform the gate stewards as soon as you can about possible conflicts. ONLY the gate steward may make changes in the running order!
- ✓ Volunteer to set poles or run scribe sheets if you see the need.
- ✓ **Stay within shouting distance of your gate steward when you are within 5 dogs of running.**

CHANGE TO EX-MAS JUMP HEIGHT ORDER

Because the original groupings of the jump heights for optimal walkthroughs doesn't make sense for the actual entry numbers, we are MERGING the 16" dogs into the 24/26" walkthrough group in the Ex-Masters Std and JWW classes. See the Class Order table at the bottom of this page.

Food

Breakfast fare of coffee/juice and donuts will be available during check-in for all competitors. There will be NO food available for purchase onsite; however a make-your-own sandwich buffet will be open to anyone who works!

If you need a 24-hour Veterinarian

Canyon Creek Pet Hospital, 408-270-7500
 5617 Silver Creek Valley Rd, San Jose CA 95138

Workers

Worker schedules for each ring will be posted at each ring on Saturday morning. We are in your debt for continuing the AKC tradition of filling in these white boards so quickly before each class!

Sunday move-ups, questions

If you finish a title on Saturday, you have the option to move up to the next level on Sunday in that class. Move-up forms will be located at the awards table.

If you have any questions before the trial, contact chair Karey at kek@bumpsays.com 650-906-5146 (cell), or secretary Lisa at lisa@tailwaggingdogs.net 916-826-8378.

Class Order (Schedule subject to change if events warrant, preliminary running order is contingent on move-up entries not yet received)

Directions to Evergreen Valley College, San Jose

3095 Yerba Buena Rd, San Jose CA 95135.

Take the Yerba Buena Rd exit off of Hwy 101 through southern San Jose. **DO NOT TAKE Capitol Expressway!** Watch out because the exit-only lanes will try to confuse you about this. From the Yerba Buena off-ramp, turn east (towards the hills) off the exit ramp onto Yerba Buena Road. Continue 2.6 miles up the hill to the campus. You'll want the first entrance driveway on the left, which takes you into parking lot #9, after crossing San Felipe. (By the way, the nearest Starbucks is here at the corner of Yerba Buena and San Felipe.) The parking lot entrance on your left will come up on you fast after the San Felipe stoplight, IMMEDIATELY after the big empty field on your left.

Site Info

Parking Permits: Bay Team has paid for the parking lot for this event, so you do not need to buy a parking permit as indicated by the signage.

Overnight Parking for RVs: Do not arrive before 3PM! RV spots are on a first come first served basis. RV parking is restricted to the rows that are closest to the soccer fields on the left as you enter the parking lot. There are no hookups, and the only rule is to not do anything to attract the attention of the neighbors. Generators off after 9pm.

Unloading. Be prepared to cart your stuff in from where you park in the parking lot. You will not be able to drive on the field and you may not park at the red curb for unloading.

Security. There will no professional overnight security however there will be club members on site overnight Friday night and Saturday night keeping a watchful eye on our equipment. You may leave your canopies and crating but we do not recommend leaving anything valuable.

There is no shade, so bring your own. This is this facility's very first ever exposure to an agility trial! We want to be invited back again! Be fanatic about cleaning up after your dog, and not waking up the neighbors first thing in the morning!

Friday Setup for workers starts at 6PM:

[email kek@bumpsays.com](mailto:kek@bumpsays.com) if you want to pitch in, THANKS!

If you want first dibs at the best crating, come help set up! Friday setup for people helping with unloading and course building will start at 6PM. Before 6PM, only chief course builders may be on the field.

Friday NON-worker setup starts after 7PM

Non-worker set-up is not allowed until after the courses are built, approximately 7PM. You may come before then but please respect the course building crew, and do not unload or set up anything until after 7PM.
